POSITION DESCRIPTION

**BACKGROUND**

The Office of U.S. Foreign Disaster Assistance (OFDA) is the office within USAID that is responsible for providing emergency non-food humanitarian assistance in response to international crises and disasters. OFDA is part of the Bureau for Democracy, Conflict, and Humanitarian Assistance (DCHA) and is organized into six divisions.

The Africa (AFD) Response Division and the Asia, Latin America, Europe, and Middle East (ALE) Response Division are responsible for the provision of emergency humanitarian assistance through a grants mechanism to non-governmental organizations (NGOs), international organizations (IOs) including United Nations (UN) agencies and to other partners to ensure the implementation and delivery of this assistance. These divisions also oversee OFDA's non-response efforts in disaster risk reduction and resilience. AFD and ALE Response Divisions also coordinate with other organizations for the provision of relief supplies and assistance. They devise, coordinate and implement program strategies for a variety of natural and complex disaster situations. Both Divisions encompass groups of operations specialists who provide technical expert capability in assessing the quality and strategic function of disaster response and risk reduction activities. The AFD Response Division is divided into two teams: East and Central Africa (ECA), and Southern, West, and North Africa (SWAN). The ALE Response Division is

**SOL-OFDA-17-000079**

divided into four teams: East Asia and the Pacific (EAP), Europe, the Middle East, and Central Asia (EMCA), Latin America and the Caribbean (LAC), and South Asia.

The Operations (OPS) Division develops and manages operations for OFDA's disaster responses by readying people and systems; projecting U.S. Government (USG) humanitarian capacity quickly into the field; and delivering material and technical assistance. The OPS Division maintains readiness to respond to emergencies through several mechanisms, including managing Urban Search and Rescue Teams, coordinating, staffing, training, and equipping Disaster Assistance Response Teams (DARTs), and Washington-based Response Management Teams (RMTs), and stockpiling emergency relief commodities in key locations around the globe to ensure OFDA's capacity to execute and coordinate USG humanitarian assistance and response to natural disasters and complex emergencies. The OPS Division provides technical guidance and expertise in Disaster Logistics, Urban Search and Rescue, Operations Center management, activation/readiness, Civil-Military Liaison, and Chemical, Biological, Radiological, Nuclear and Explosive Consequence Management. It also provides overseas support to OFDA offices and personnel and to other sectors necessary to ensure OFDA's capacity to execute and coordinate USG humanitarian assistance and response to natural disasters and complex emergencies. The OPS Division is divided into four teams: the Disaster Assistance Support Program (DASP), Military Liaison Team (MLT), Operations Support Team (OST), and Overseas Administration Team (OAT).

The Program Support (PS) Division provides operational management support, including general administration, budget and financial services, procurement planning, information technology, human resources management including staff care, and contract and grant administration support to OFDA. The PS Division supports OFDA's mandate by providing innovative solutions in the areas of Information Technology, staffing, funds control, budgeting, human resource management, and procurement to facilitate timely disaster responses. The PS Division is divided into four teams: the Award Change Control Group (ACCG), Human Resources Management Team (HRM), Budget, Finance, and Information Technology (BFIT) Team, and the Acquisition and Management (ACQ) Team.

The Preparation, Strategic Planning and Mitigation (PSPM) Division is responsible for the technical oversight of all OFDA response and mitigation programs, as well as preparation for response, mitigation, and disaster risk reduction activities. The PSPM Division houses technical experts in all sectors potentially affected by disasters, and leads the Agency in developing and promoting best practices for programming in these specific sectors. In addition, PSPM will be the focal point for technological innovations for humanitarian assistance in areas such as monitoring and evaluation, assessment, and information management. The PSPM Division is divided into four teams: Cross-Cutting Sectors Team, Natural Hazards Team, Health Team, and Livelihoods Team.

The Humanitarian Policy and Global Engagement (HPGE) Division assists the DCHA front office, the OFDA Director and OFDA Deputy Director with tracking trends and policy developments in the humanitarian assistance field. It engages in policy dialogue with other parts of USAID, the USG interagency, other donors, multilateral agencies, and NGO partners; recommends strategies for action to DCHA; initiates development of policy and internal

guidance for OFDA; maintains global relationships with implementing partners, other donors, and the broader humanitarian architecture; and engages with the UN to advance USG humanitarian policy objectives and promote humanitarian principles within the USG and internationally. The HPGE Division leads OFDA's communications and social media outreach to effectively communicate OFDA's story to a variety of strategic audiences. It serves as the office's primary interlocutor on strategic issues with other federal partners to provide guidance to OFDA on policy issues pertaining to the interagency, and to improve USG humanitarian coordination and response during large-scale crises. The HPGE Division staff manages global programs, policy and outreach, strategic communications, and interagency training and engagement. HPGE is divided into seven teams: Policy Team, Global Programs Team, Strategic Interagency Team, Strategic Communications Team, Interagency Training Team, Public-Private Engagement Team, and the United States Mission to the UN (USUN).

## INTRODUCTION

The HPGE Division serves as the principal focal point for humanitarian policy development, engagement, and institutional relationships with IOs and other donor governments. As one of the core teams in the HPGE Division, the Interagency Training Team focuses on trainings for different parts of the USG Interagency, specifically related to OFDA's role in humanitarian assistance and disaster response. The Interagency Training Team is responsible for developing and maintaining Humanitarian Assistance specific courses, as well as tailoring them for different audiences across the interagency.

The Interagency Training Manager/Team Leader position serves as an integral part of the HPGE Division and closely coordinates with other parts of the USG and international community on humanitarian training issues. The position leads the planning and development of training and outreach approaches on humanitarian issues, provides strategic direction on training issues for external audiences, prepares key briefings and guidance to support training requirements, and manages the HPGE training team.

## OBJECTIVE

OFDA requires the services of one Interagency Training Manager/Team Leader in order to meet its objectives of training and educating the interagency on humanitarian assistance within the USG.

## **9. CORE FUNCTIONAL AREAS OF RESPONSIBILITY**

### DUTIES AND RESPONSIBILITIES

The Interagency Training Manager/Team Leader is an integral part of the Interagency Training Team who coordinates closely with other parts of HPGE and OFDA, develops curriculum for humanitarian training courses, and facilitates training for other USAID Bureaus and federal agencies on the international humanitarian architecture, humanitarian assistance, and disaster response. He/She will help plan organizational strategies and approaches to external training, course development, validation, delivery, and review.

**Solicitation for a USPSC Interagency Training Manager/ Team Leader  
SOL-OFDA-17-000079**

The assignment involves providing expert training for the planning, development, and execution of U.S. foreign policy within a broad and complex geographic or functional specialty area. The work requires applying a rigorous analytical and detail-oriented approach to the training development. The Interagency Training Manager will receive general guidance but will also be expected to execute independent judgment and analysis.

The role requires significant interaction with other offices, demanding strong diplomatic, facilitation, and communication skills to accurately represent U.S. positions in a complex multilateral setting. Contacts will be within the USG, training counterparts in the UN and other agencies, experts, and representatives of NGOs. Contacts occur in a wide variety of planned and unplanned, formal and informal settings, including open meetings and conferences.

The Interagency Training Manager/Team Leader's duties and responsibilities will include the following:

- Manage the Interagency Training Team.
- Support the HPGE strategy for internal and external education and training courses on humanitarian assistance, international humanitarian architecture, and disaster response issues.
- Develop detailed strategic plans for external training for the intra and inter agency.
- Analyze training needs and requirements to develop new training programs or modify and improve existing programs.
- Design courses from inception to polished final products, taking overall responsibility of external training courses, specifically applying the principles of adult learning design for both synchronous and asynchronous (e.g. online courses) learning.
- Draw on subject matter expert (SME) expertise and work closely with other teams within HPGE, particularly the Policy and Interagency teams.
- Maintain strong understanding of the USG interagency, humanitarian policy issues, and USAID/OFDA coordination responsibilities and response operations that contribute to the USAID/OFDA training strategy for external partners.
- Plan, develop, and provide training using knowledge of the effectiveness of methods such as classroom training, demonstrations, meetings, conferences, and workshops.
- Develop trainer development programs and coach others involved in training efforts.
- Develop and monitor funding commitments.
- Work effectively as a team member with other members of the Division and OFDA.
- Evaluate instructor performance and the effectiveness of training programs, providing recommendations for improvement.
- Develop course evaluation procedures and conduct follow-up review of all completed training to evaluate and measure results.
- Develop and organize effective training manuals, multimedia visual aids, and other educational materials using a variety of media.
- Mentor and liaise with facilitators, panelists, and guest instructors.
- Build solid cross-functional relationships and assist with development of HPGE strategic plans and maintain internal and external OFDA relationships.
- Ensure appropriate scheduling and coordination of training, including logistical support.

**Solicitation for a USPSC Interagency Training Manager/ Team Leader  
SOL-OFDA-17-000079**

- Coordinate with other training teams of humanitarian agencies and communicate at Senior Executive level of USG and IOs.
- Review and analyze what the UN, other IOs, NGOs, and other humanitarian entities currently provide on humanitarian assistance and disaster response training. Propose recommendations on whether USAID/OFDA should incorporate any part of the UN training, e.g. videos, simulations, etc.
- Sign-up for and serve as needed multiple times throughout the year on Washington-based RMTs, which provides services and support to DARTs deployed in response to disasters. The duties on RMTs will be varied.
- Serve as the OFDA after-hours duty officer on a rotational basis, for approximately one week every six months.
- As needed, serve on DARTs which may require immediate (within 24 hours) deployment overseas.
- As needed, on a temporary basis not to exceed 6 months, may perform in an alternative role based on operational needs of the Division upon request of the Team Lead or Division Director. Duties performed while on detail will be aligned with the Team's existing duties and responsibilities, as well as directly related to the scope of work provided.
- As appropriate, for cross-training purposes to enhance operational awareness, may serve on temporary details, not to exceed six months, within the office. Duties performed, while on detail, will be directly related to the duties and responsibilities outlined in the scope of work.

**SUPERVISORY RELATIONSHIP:**

The Interagency Training Manager/Team Leader will take direction from and report to the Division Director or his/her designee and Deputy Division Director of the HPGE Division or his/her designee.

**SUPERVISORY CONTROLS:**

Supervisor provides administrative directions in terms of broadly defined missions or functions. Employee independently plans, designs, and carries out programs, projects, studies, or other work. Results are considered authoritative and are normally accepted without significant change.

**10. PHYSICAL DEMANDS**

The work is generally sedentary and does not pose undue physical demands. During deployment on DARTs (if required), and during site visits, there may be some additional physical exertion including long periods of standing, walking over rough terrain, or carrying of moderately heavy items (less than 50 pounds).

**11. WORK ENVIRONMENT**

Work is primarily performed in an office setting. During deployment on DARTs (if required), and during site visits, the work may additionally involve special safety and/or security precautions, wearing of protective equipment, and exposure to severe weather conditions.

**12. START DATE:** Immediately, once necessary clearances are obtained.

**EDUCATION/EXPERIENCE REQUIRED FOR THIS POSITION**

(Determines basic eligibility for the position. Applicants who do not meet all of the education and experience factors are considered NOT qualified for the position.)

Bachelor's degree with significant study in or pertinent to the specialized field (including but not limited to international relations, training, disaster management, public policy, or a related field) plus minimum of nine (9) years of progressively responsible professional experience working on training and curriculum development and on emergency relief and humanitarian assistance issues, one (1) year of which was obtained overseas. Experience developing training programs for adult learners and executives in an international and interagency setting required. Experience working for the USG or with an IO required.

**OR**

Master's degree with significant study in or pertinent to the specialized field (including but not limited to international relations, training, disaster management, public policy or a related field) plus minimum of seven (7) years of progressively responsible professional experience working on training and curriculum development and on emergency relief and humanitarian assistance issues, one (1) year of which was obtained overseas. Experience developing training programs for adult learners and executives in an international and interagency setting required. Experience working for the USG or with an IO required.

**SELECTION FACTORS**

(Determines basic eligibility for the position. Applicants who do not meet all of the selection factors are considered NOT qualified for the position.)

- Applicant is a U.S. Citizen.
- Complete resume submitted. See cover page for resume requirements. Experience that cannot be quantified will not be counted towards meeting the solicitation requirements.
- USPSC Application form AID 302-3. Applicants are required to complete sections A through I. This form must be physically signed. Electronic signatures will not be accepted.
- Supplemental document specifically addressing the Quality Ranking Factors (QRFs) submitted.
- Ability to obtain and maintain a Secret up to Top Secret/Sensitive Compartmented Information level clearance as provided by USAID.
- Must not appear as an excluded party in the System for Award Management (SAM.gov).
- Satisfactory verification of academic credentials.

**QUALITY RANKING FACTORS (QRFs)**

(Used to determine the competitive ranking of qualified applicants in comparison to other applicants. The factors below are of equal value.)

**USPSC PROVISION “MEDICAL EXPENSE PAYMENT RESPONSIBILITY  
(OCTOBER 2006)**

**MEDICAL EXPENSE PAYMENT RESPONSIBILITY (OCTOBER 2006)**

(a) Definitions. Terms used in this General Provision are defined in 16 FAM 116 (available at <http://www.foia.state.gov/REGS/fams.asp?level=2&id=59&fam=0>). Note: personal services contractors are not eligible to participate in the Federal Employees Health Programs.

(b) The regulations in the Foreign Affairs Manual, Volume 16, Chapter 520 (16 FAM 520), Responsibility for Payment of Medical Expenses, apply to this contract, except as stated below. The contractor and each eligible family member are strongly encouraged to obtain health insurance that covers this assignment. Nothing in this provision supersedes or contradicts any other term or provision in this contract that pertains to insurance or medical costs, except that section (e) supplements General Provision 25. “MEDICAL EVACUATION (MEDEVAC) SERVICES.”

(c) When the contractor or eligible family member is covered by health insurance, that insurance is the primary payer for medical services provided to that contractor or eligible family member(s) both in the United States and abroad. The primary insurer’s liability is determined by the terms, conditions, limitations, and exclusions of the insurance policy. When the contractor or eligible family member is not covered by health insurance, the contractor is the primary payer for the total amount of medical costs incurred and the U.S. Government has no payment obligation (see paragraph (f) of this provision).

(d) USAID serves as a secondary payer for medical expenses of the contractor and eligible family members who are covered by health insurance, where the following conditions are met:

- (1) The illness, injury, or medical condition giving rise to the expense is incurred, caused, or materially aggravated while the eligible individual is stationed or assigned abroad;
- (2) The illness, injury, or medical condition giving rise to the expense required or requires hospitalization and the expense is directly related to the treatment of such illness, injury, or medical condition, including obstetrical care; and
- (3) The Office of Medical Services (M/MED) or a Foreign Service medical provider (FSMP) determines that the treatment is appropriate for, and directly related to, the illness, injury, or medical condition.

(e) The Mission Director may, on the advice of M/MED or an FSMP at post, authorize medical travel for the contractor or an eligible family member in accordance with the General Provision 10, Travel and Transportation AAPD 06-10 PSC Medical Expense Payment Responsibility 6 Expenses (July 1993), section (i) entitled “Emergency and Irregular Travel and Transportation.” In the event of a medical emergency, when time does not permit consultation, the Mission

Director may issue a Travel Authorization Form or Medical Services Authorization Form DS-3067, provided that the FSMP or Post Medical Advisor (PMA) is notified as soon as possible following such an issuance. The contractor must promptly file a claim with his or her medevac insurance provider and repay to USAID any amount the medevac insurer pays for medical travel, up to the amount USAID paid under this section. The contractor must repay USAID for medical costs paid by the medevac insurer in accordance with sections (f) and (g) below. In order for medical travel to be an allowable cost under General Provision 10, the contractor must provide USAID written evidence that medevac insurance does not cover these medical travel costs.

(f) If the contractor or eligible family member is not covered by primary health insurance, the contractor is the primary payer for the total amount of medical costs incurred. In the event of a medical emergency, the Medical and Health Program may authorize issuance of Form DS-3067, Authorization for Medical Services for Employees and/or Dependents, to secure admission to a hospital located abroad for the uninsured contractor or eligible family member.

In that case, the contractor will be required to reimburse USAID in full for funds advanced by USAID pursuant to the issuance of the authorization. The contractor may reimburse USAID directly or USAID may offset the cost from the contractor's invoice payments under this contract, any other contract the individual has with the U.S. Government, or through any other available debt collection mechanism.

(g) When USAID pays medical expenses (e.g., pursuant to Form DS-3067, Authorization for Medical Services for Employees and/or Dependents), repayment must be made to USAID either by insurance payment or directly by the contractor, except for the amount of such expenses USAID is obligated to pay under this provision. The Contracting Officer will determine the repayment amount in accordance with the terms of this provision and the policies and procedures for employees contained in 16 FAM 521. When USAID pays the medical expenses, including medical travel costs (see section (e) above), of an individual (either the contractor or an eligible family member) who is covered by insurance, that individual promptly must claim his or her benefits under any applicable insurance policy or policies. As soon as the individual receives the insurance payment, the contractor must reimburse USAID for the full amount that USAID paid on the individual's behalf or the repayment amount determined by the Contracting Officer in accordance with this paragraph, whichever is less. If an individual is not covered by insurance, the contractor must reimburse USAID for the entire amount of all medical expenses and any travel costs the contractor receives from his/her medevac provider.

(h) In the event that the contractor or eligible family member fails to recover insurance payments or transfer the amount of such payments to USAID within 90 days, USAID will take appropriate action to collect the payments due, unless such failure is for reasons beyond the control of the USPSC/dependent. (i) Before departing post or terminating the contract, the contractor must settle all medical expense and medical travel costs. If the contractor is insured, he or she must provide proof to the Contracting AAPD 06-10 PSC Medical Expense Payment Responsibility 7 Officer that those insurance claims have been submitted to the insurance carrier(s) and sign a repayment agreement to repay to USAID any amounts paid by the insurance carrier(s).

ATTACHMENT 2

**GP 5. LEAVE AND HOLIDAYS (DEC 2015)  
(Pursuant to class deviation #M/OAA-DEV-AIDAR-16-1c)**

**(a) Annual Leave**

(1) The contractor is not entitled to annual leave if the period of performance of this contract is 90 days or less. If the contract period of performance is more than 90 days, the contractor shall earn annual leave as of the start date of the contract period of performance as specified in paragraph (a)(2) below.

(2) The contractor shall accrue annual leave based on the contractor's time in service according to the following table:

Time in Service	Annual Leave (AL) Accrual Calculation
0 to 3 years	Four hours of leave for each two week period
over 3, and up to 15 years	Six hours of AL for each two week period (including 10 hours AL for the final pay period of a calendar year)
over 15 years	Eight hours of AL for each two week period

USAID will calculate the contractor's time in service based on all the previous service performed by the contractor as a: 1) USAID PSC (i.e., the contractor has served under any USAID personal services contracts of any duration covered by Sec. 636(a)(3) of the FAA or other statutory provision applicable to USAID); and/or 2) former U.S. Government (USG) direct-hire, under either civilian and/or military service.

(3)

(i) AL is provided under this contract for the purposes of affording necessary rest and recreation during the period of performance. The contractor, in consultation with the USAID Mission or USAID/Washington, as appropriate, shall develop an AL schedule early in the contractor's period of performance, taking into consideration project requirements, employee preference, and other factors. All AL earned by the contractor must be used during the contractor's period of performance. All AL earned by the contractor, but not taken by the end of the contract, will be forfeited. However, to prevent forfeiture of AL, the Contracting Officer may approve the contractor taking AL during the concluding weeks of the contractor's period of performance.

(ii) As an exception to 3(i) above, the contractor may receive a lump-sum payment for leave not taken. To approve this exception, the contractor's supervisor must provide the Contracting Officer with a signed, written Determination and Findings (D&F). The D&F must set out the facts and circumstances that prevented the contractor from taking AL, and the Contracting Officer must find that these facts and circumstances were not caused by, or were beyond the control of, the contractor. This leave payment must not exceed the number of days which could be earned by the contractor during a twelve-month period.

SOL-OFDA-17-000079**

(4) With the approval of the Mission Director or cognizant AA, as appropriate, and if the circumstances warrant, a Contracting Officer may grant the contractor advance AL in excess of the amount earned, but in no case may the Contracting Officer grant advance AL in excess of the amount earned in one year or over the life of the contract, whichever is less. The contractor agrees to reimburse USAID for any outstanding balance of advance AL provided during the contractor's assignment under the contract.

(5) Applicants for PSC positions will provide evidence of their PSC and/or USG direct-hire service - civilian and/or military experience, as applicable, on their signed and dated application form required under USAID policy. By signing the appropriate form, the applicant attests to the accuracy of the information provided. Any applicant providing incorrect information is subject to the penalty provisions in the form. If required to satisfy due diligence requirements on behalf of the Contracting Officer, the contractor may be required to furnish evidence that verifies length of service, e.g., SF 50, DD Form 214, and/or signed contracts.

**(b) Sick Leave.** The contractor may use sick leave on the same basis and for the same purposes as USAID U.S. direct hire employees. Sick leave is earned at a rate not to exceed four (4) hours every two (2) weeks for a total of 13 work-days per year. Unused sick leave may be carried over under an extension or renewal of this contract with the same individual for the same work. Otherwise, sick leave will not be carried over from one post to another or from one contract to another. The contractor will not be compensated for unused sick leave upon completion of this contract.

**(c) Home Leave.**

(1) Home leave is leave earned for service abroad for use only in the U.S., its commonwealths, possessions and territories.

(2) A USPSC who has served at least two years overseas at the same USAID Mission, under the same contract, as defined in paragraph (c)(4) below, and has not taken more than 30 work days leave (annual, sick or LWOP) in the U.S. may be granted home leave in accordance with the following:

(i) if the USPSC returns to the same overseas post upon completion of home leave for an additional two (2) years under the same contract, the USPSC will receive home leave, to be taken at one time, for a period of 30 work days; or  
if the USPSC returns to the same overseas post upon completion of home leave for such shorter period of not less than one year, as approved in writing by the Mission Director prior to the USPSC's departure on home leave, the USPSC will receive home leave, to be taken at one time, for a period of 30 work days.

(ii) if the USPSC is returning to a different USAID Mission under a USAID personal services contract immediately following completion of the USPSC's home leave, for an additional two (2) years under contract, or for such shorter period of not less than one (1)

**Solicitation for a USPSC Interagency Training Manager/ Team Leader**

year, as approved by the Mission Directors of the "losing" and "gaining" Missions, the contractor will receive home leave, to be taken at one time, for a period of not more than 20 work days. When the PSC is returning to a different USAID Mission, the former Mission will pay for the home leave regardless of what country the PSC will be working in following the home leave;

(iii) if home leave eligibility is based on (c)(2)(ii) above, the USPSC must submit written verification to the losing Mission at the time home leave is requested that the USPSC has accepted a USAID personal services contract at another USAID Mission following completion of the home leave;

(iv) travel time by the most direct route is authorized in addition to the number of work days authorized for home leave;

(v) home leave must be taken in the U.S., its commonwealths, possessions or territories, and any days spent elsewhere will be charged to annual leave (AL.) If the PSC does not have accrued AL, the PSC will be placed on LWOP.

(vi) if the PSC does not complete the additional service required under (c)(2)(i) or (ii) (that the Contracting Officer finds are other than for reasons beyond the PSC's control), the cost of home leave, travel and transportation and any other related costs must be repaid by the PSC to the Government.

(3) Notwithstanding the requirement in paragraph (c)(2) above, that the USPSC must have served two (2) years overseas under personal services contract with the same Mission to be eligible for home leave, the USPSC may be granted advance home leave subject to all of the following conditions:

(i) Granting of advanced home leave would in each case serve to advance the attainment of the objectives of this contract; and

(ii) The USPSC has served a minimum of 18 months in the Cooperating Country under this contract; and

(iii) The USPSC agrees to return to the Cooperating Country to serve out the remaining time necessary to meet two (2) years of service overseas, plus an additional two (2) years under the current contract or under a new contract for the same or similar services at the same Mission. If approved in advance by the Mission Director, the USPSC may return to serve out any remainder of the two (2) year requirement for service overseas, plus an additional period of not less than one (1) year under the current contract or under a new contract for the same or similar services at the same Mission.

(4) The period of service overseas required under paragraph (c)(2), or paragraph (c)(3) above, will include the actual days in orientation in the U.S. (less language training). The actual days overseas begin on the date of arrival in the cooperating country inclusive of authorized delays enroute. Allowable annual and sick leave taken while overseas, but not

LWOP, shall be included in the required period of service overseas. An amount equal to the number of days of annual and sick leave taken in the U.S., its commonwealths, possessions or territories will be added to the required period of service overseas.

(5) Salary during the travel to and from the U.S., for home leave will be limited to the time required for travel by the most expeditious air route. Except for reasons beyond the USPSC's control as determined by the Contracting Officer, the USPSC must return to duty after home leave and complete the additional required service or be responsible for reimbursing USAID for payments made during home leave. Unused home leave is not reimbursable under this contract, nor can it be taken incrementally in separate time periods.

(6) Home leave must be taken at one time, and to the extent deemed necessary by the Contracting Officer, an USPSC in the U.S., on home leave may be authorized to spend not more than five (5) days in work status for consultation at USAID/Washington before returning to post. Consultation at locations other than USAID/Washington as well as any time in excess of five (5) days spent for consultation must be approved by the Mission Director or the Contracting Officer.

**(d) Home Leave for Qualifying Posts (HLQP).** USPSCs who ordinarily qualify for home leave and have completed a 12-month assignment at one of the USAID qualifying posts (currently Iraq, Afghanistan and Pakistan) are entitled to take ten (10) workdays of leave in addition to the home leave an USPSCs is normally entitled to under the contract in accordance with sub-paragraphs (c)(1) - (6) above. This additional home leave is provided pursuant to an amendment to the Foreign Service Act of 1980 signed by the President on June 15, 2006.

There is no requirement that an eligible USPSC take this additional leave; it is for optional use by the USPSC. If an eligible USPSC elects to take HLQP, the USPSC must take ten (10) workdays of home leave. If the USPSC is returning to the United States and not returning overseas to the same or different USAID Mission, HLQP will not apply.

This new home leave policy is also extended to qualifying **Third-Country National PSCs (TCNPSCs)** who have an approved exception under AIDAR Appendix J, sec. 4(c)(2)(ii)(B), to apply specific provisions from AIDAR Appendix D, and whose contract includes this General Provision. However, TCNPSCs will be granted "country leave" vice home leave. The application, requirements, and restrictions will be the same as for USPSCs, but the time taken by a TCNPSC will be taken in the TCNPSC's home country or country of recruitment rather than in the United States, its commonwealths and territories.

**(e) Holidays and Excused Absences.** The contractor shall be entitled to all holidays and or excused absences granted by the USAID to U.S. direct-hire employees.

**(f) Military Leave.** Military leave of not more than 15 calendar days in any calendar year may be granted to a contractor who is a reservist of the U.S. Armed Forces. The contractor must provide advance notice of the pending military leave to the Contracting Officer or the Mission Director as soon as known. A copy of any such notice must be part of the contract file.

**Solicitation for a USPSC Interagency Training Manager/ Team Leader**  
**SOL-OFDA-17-000079**

**(g) Leave Without Pay (LWOP).** LWOP may be granted only with the written approval of the Contracting Officer or Mission Director, unless a USPSC is requesting for such leave for family and leave purposes under paragraph (i) below.

**(h) Compensatory Time.** Compensatory time leave may be granted only with the written approval of the Contracting Officer or Mission Director in rare instances when it has been determined absolutely essential and used under those guidelines which apply to USAID U.S. direct-hire employees.

**(i) Family and Medical Leave (FML)**

- (1) USAID provides family and medical leave (FML) for eligible USPSCs working within the U.S., or any Territories or possession of the United States, in accordance with Title I of the Family and Medical Leave Act of 1993, as amended, and as administered by the Department of Labor under [29 CFR 825](#). USAID is also extending FML to eligible USPSCs working outside the U.S., or any Territories or possession of the U.S., in accordance with this paragraph (i) as a matter of policy discretion.
- (2) FML only applies to USPSCs, not any other type of PSC.
- (3) To be eligible for FML, a USPSC must have been employed (i) for at least 12 months by USAID; and (ii) for at least 1,250 hours of service with USAID during the previous 12-month period. The specific eligibility criteria and requirements are provided in USAID policy.
- (4) In accordance with [29 CFR 825.200\(a\)](#) and USAID policy, an eligible USPSC may take up to 12 workweeks of leave under FMLA, Title I, in any 12-month period for the following reasons:
  - (a) The care of the USPSC's newborn child.
  - (b) The care of the USPSC's newly placed adopted or foster care child.
  - (c) The care of the USPSC's spouse, child or parent with a serious health condition.
  - (d) The USPSC's own serious health condition.
  - (e) A qualifying exigency arising from the USPSC's spouse, child or parent in active duty military status.
  - (f) Other qualifying exigencies as determined by the Department of Labor.
- (5) In accordance with 29 CFR Part 825.207, the USPSC may take LWOP for FML purposes. However, the USPSC may choose to substitute LWOP with accrued paid leave, including accrued annual or sick leave, or compensatory time earned under this contract. If the USPSC does not choose to substitute accrued paid leave, the CO, in consultation with the USPSC's supervisor, may require the USPSC to substitute accrued paid leave for LWOP. The CO must verify the accuracy of the USPSC's accrued paid leave request and obtain the required certifications for approval of FML in accordance with the stated USAID policy.
- (6) FML is not authorized for any period beyond the completion date of this contract.
- (7) When requesting FML, the USPSC must demonstrate eligibility to the USPSC's supervisor by completing USAID's FML request forms, including certifications and other supporting documents required by USAID policy.
