SUBJECT: Solicitation for U.S. Personal Service Contractor (USPSC)

Dear Prospective Offerors:

The United States Government (USG), represented by the U.S. Agency for International Development (USAID) Office of U.S. Foreign Disaster Assistance (OFDA), is seeking offers from qualified U.S. citizens to provide personal services as an Information Officer (IO) under a United States Personal Services Contract (USPSC), as described in the solicitation.

Submittals must be in accordance with the attached information at the place and time specified. Offerors interested in applying for this position **MUST** submit the following materials:

1. Complete resume. In order to fully evaluate your offer, your resume must include:
 - (a) Paid and non-paid experience, job title, location(s), dates held (month/year), and hours worked per week for each position. Dates (month/year) and locations for all field experience must also be detailed. **Any experience that does not include dates (month/year), locations, and hours per week will not be counted towards meeting the solicitation requirements.**
 - (b) Specific duties performed that fully detail the level and complexity of the work.
 - (c) Education and any other qualifications including job-related training courses, job-related skills, or job-related honors, awards or accomplishments.
 - (d) U.S. Citizenship
 - (e) **Optional:** How did you hear about this opportunity? (FedBizOpps, OFDA Jobs, Career Fair, etc.).

Your resume should contain sufficient information to make a valid determination that you fully meet the experience requirements as stated in this solicitation. This information should be clearly identified in your resume. Failure to provide information sufficient to determine your qualifications for the position will result in loss of full consideration.

2. Supplemental document specifically addressing the Quality Ranking Factors (QRFs) shown in the solicitation.
3. USPSC Offeror form AID 309-2. Offerors are required to complete sections A through I. This form must be physically signed. Electronic signatures will not be accepted. AID 309-2 is available at <http://www.usaid.gov/forms>.

NOTE REGARDING DATA UNIVERSAL NUMBERING SYSTEM (DUNS) NUMBERS AND THE SYSTEM FOR AWARD MANAGEMENT

All USPSCs with a place of performance in the United States are required to have a Data Universal Numbering System (DUNS) number and be registered in the System for Award Management (SAM) database prior to receiving an award. You will be disqualified if you either fail to comply with this requirement or if your name appears on the excluded parties list. The selectee will be provided with guidance regarding this registration.

NOTE: As of March 28, 2018, all new SAM.gov entity registrations will now require a signed notarized letter identifying the authorized Entity administrator for the entity associated with the DUNS number. Additional information on the format of the notarized letter and where to submit can be found via the below Federal Service Desk link:

POSITION DESCRIPTION

BACKGROUND

The Office of U.S. Foreign Disaster Assistance (OFDA) is the office within USAID that is responsible for providing emergency non-food humanitarian assistance in response to international crises and disasters. OFDA is part of the Bureau for Democracy, Conflict, and Humanitarian Assistance (DCHA) and is organized into six divisions.

The Africa (AFD) Response Division and the Asia, Latin America, Europe, and Middle East (ALE) Response Division are responsible for the provision of emergency humanitarian

assistance through a grants mechanism to non-governmental organizations (NGOs), international organizations including United Nations (UN) agencies and to other partners to ensure the implementation and delivery of this assistance. These divisions also oversee OFDA's non-response efforts in disaster risk reduction and resilience. AFD and ALE Response Divisions also coordinate with other organizations for the provision of relief supplies and assistance. They devise, coordinate and implement program strategies for a variety of natural and complex disaster situations. Both Divisions encompass groups of operations specialists who provide technical expert capability in assessing the quality and strategic function of disaster response and risk reduction activities. The AFD Response Division is divided into two teams: East and Central Africa (ECA), and Southern, West, and North Africa (SWAN). The ALE Response Division is divided into four teams: East Asia and the Pacific (EAP), Europe, the Middle East, and Central Asia (EMCA), Latin America and the Caribbean (LAC), and South Asia (SA).

The Operations (OPS) Division develops and manages operations for OFDA's disaster responses by readying people and systems; projecting U.S. Government (USG) humanitarian capacity quickly into the field; and delivering material and technical assistance. The OPS Division maintains readiness to respond to emergencies through several mechanisms, including managing Urban Search and Rescue Teams, coordinating, staffing, training, and equipping Disaster Assistance Response Teams (DARTs), and Washington-based Response Management Teams (RMTs), and stockpiling emergency relief commodities in key locations around the globe to ensure OFDA's capacity to execute and coordinate USG humanitarian assistance and response to natural disasters and complex emergencies. The OPS Division provides technical guidance and expertise in Disaster Logistics, Urban Search and Rescue, Operations Center management, activation/readiness, Civil-Military Liaison, and Chemical, Biological, Radiological, Nuclear and Explosive Consequence Management. It also provides overseas support to OFDA offices and personnel and to other sectors necessary to ensure OFDA's capacity to execute and coordinate USG humanitarian assistance and response to natural disasters and complex emergencies. The OPS Division is divided into four teams: the Disaster Assistance Support Program (DASP), Military Liaison Team (MLT), Operations Support Team (OST), and Overseas Administration Team (OAT).

The Program Support (PS) Division provides operational management support, including general administration, budget and financial services, procurement planning, information technology, human resources management including staff care, and contract and grant administration support to OFDA. The PS Division supports OFDA's mandate by providing innovative solutions in the areas of Information Technology, staffing, funds control, budgeting, human resource management, and procurement to facilitate timely disaster responses. The PS Division is divided into four teams: the Award, Audit, and Risk Management (AARM) Team, Human Resources Management (HRM) Team, Budget, Finance, and Information Technology (BFIT) Team, and the Acquisition and Management (ACQ) Team.

The Preparation, Strategic Planning and Mitigation (PSPM) Division is responsible for the technical oversight of all OFDA response and mitigation programs, as well as preparation for response, mitigation, and disaster risk reduction activities. The PSPM Division houses technical experts in all sectors potentially affected by disasters, and leads the Agency in developing and promoting best practices for programming in these specific sectors. In addition, PSPM will be

the focal point for technological innovations for humanitarian assistance in areas such as monitoring and evaluation, assessment, and information management. The PSPM Division is divided into four teams: Cross-Cutting Sectors Team, Natural Hazards Team, Health Team, and the Food Security and Livelihoods Team.

The Humanitarian Policy and Global Engagement (HPGE) Division assists the DCHA front office, the OFDA Director and OFDA Deputy Director with tracking trends and policy developments in the humanitarian assistance field. It engages in policy dialogue with other parts of USAID, the USG interagency, other donors, multilateral agencies, and NGO partners; recommends strategies for action to DCHA; initiates development of policy and internal guidance for OFDA; maintains global relationships with implementing partners, other donors, and the broader humanitarian architecture; and engages with the UN to advance USG humanitarian policy objectives and promote humanitarian principles within the USG and internationally. The HPGE Division leads OFDA's communications and social media outreach to effectively communicate OFDA's story to a variety of strategic audiences. It serves as the office's primary interlocutor on strategic issues with other federal partners to provide guidance to OFDA on policy issues pertaining to the interagency, and to improve USG humanitarian coordination and response during large-scale crises. The HPGE Division staff manages global programs, policy and outreach, strategic communications, and interagency training and engagement. HPGE is divided into seven teams: Policy Team, Global Programs Team, Strategic Interagency Team, Strategic Communications Team, Global Capacity and Leadership Development Team, Public-Private Engagement Team, and the United States Mission to the UN (USUN) in New York, Geneva, and Rome.

INTRODUCTION

The OFDA LAC Regional Office, based in San José, Costa Rica, oversees disaster risk reduction (DRR) and response assistance activities throughout the region. The Regional Office staff includes a senior regional advisor (SRA), several regional advisors (RAs), a program officer, and administrative staff. The OFDA/LAC team oversees the contractor-implemented OFDA Regional Disaster Assistance Program, which maintains a significant network of disaster risk management specialists in the region who work closely with OFDA staff to coordinate program activities in 28 countries.

OBJECTIVE

The LAC regional office seeks to hire a U.S. Personal Services Contractor (USPSC) to fill the position of a San José-based Information Officer (IO), to implement the regional team's reporting and information management strategy, including gathering data and reporting on adverse events and disaster responses, writing field updates for regional office and headquarters staff, and helping the USAID/OFDA Information Support Unit (ISU) in Washington, D.C. produce fact sheets, humanitarian updates, annual reports, and other information products for internal and public use, in close coordination with the LAC SRA. The IO will provide full-time information support to OFDA's humanitarian emergency and DRR efforts in the region.

The IO position requires strong abilities in writing, editing, and other communications skills. The IO will be required to develop a deep understanding of USAID/OFDA's mandate, structure, disaster response requirements and operations, and humanitarian policies. The IO will be required to become well-versed in the regional program's goals and objectives, DRR programs, daily operations, funding mechanisms, staff, consultants, and partners, as well as the hazards and vulnerabilities, political context, and USG relations with host government entities in the LAC region.

DUTIES AND RESPONSIBILITIES

The IO for the LAC region will provide full-time information support to OFDA's response to the crisis in the region. The San José IO will collaborate closely with other IOs on the LAC team based in San José, Costa Rica, and Washington, D.C., or on temporary duty assignment within the region to ensure that OFDA's information needs are met in a consistent and timely. When needed, the IO may also travel to other countries in the region to serve on disaster responses and provide information support. Duties will include collecting, synthesizing, and analyzing information pertaining to humanitarian emergencies and response efforts in the region, and drawing upon that information to produce internal USG reports, cables, and success stories or regional newsletters, as well as other duties as directed by the SRA, or designee.

This position requires substantial daily coordination with the ISU and OFDA staff members based in offices throughout the region, as well as with representatives from other USAID offices, embassy staff, and the humanitarian community, and therefore requires a highly collaborative work style. The IO must be prepared to function effectively in a challenging, dynamic, fast-paced work environment, and be willing to strictly adhere to U.S. Embassy security guidelines.

The Information Officer will:

- Liaise with OFDA's regional and Washington, D.C. offices, USAID Missions, the U.S. Embassy, Department of Defense, and other USG personnel, as well as donor government representatives and UN/Private Voluntary Organizations/NGOs/international organizations to present an inclusive and comprehensive picture of U.S. humanitarian response efforts for Latin America in information products.
- Draft field-produced information products for LAC teams in the region and Washington.
- Produce field notes, trip reports, meeting and call notes, updates, reporting cables, public reports, and other information products as needed.
- Manage data and produce or facilitate the production of a range of visual information products, such as maps, photos, tables, and charts.
- Assist in the preparation of agendas and briefings for official USG visitors.
- Obtain appropriate clearances for all information products produced.
- Attend humanitarian coordination and other meetings and collaborate closely with information counterparts from humanitarian organizations, including UN agencies and NGOs, to ensure that all relevant humanitarian information is obtained and incorporated into OFDA field products and provided to Washington, D.C.-based IOs in a timely manner.

- Participate in meetings with OFDA partners, humanitarian assessments, and site visits when possible in order to obtain information for field reports.
- Travel within and outside of Latin America on short notice for possibly extended periods of time. Travel to Washington, D.C. as needed for training or consultations with rotations in OFDA's ISU or relevant RMTs.
- May serve, as needed, on non-LAC Washington, D.C.-based RMTs, which provides support to DARTs deployed in response to disasters. The duties on RMTs will be varied.
- May serve on non-LAC DARTs, which may require immediate (within 24 hours) deployment overseas for an extended period of time.
- As needed, may serve on temporary details within the office, not to exceed six months. Duties performed while on detail will be aligned with the Team's existing duties and responsibilities as well as directly related to the scope of work provided.

SUPERVISORY RELATIONSHIP:

The USPSC will take direction from and will report to OFDA's SRA for LAC, or his/her designee, and maintain close coordination with OFDA's ISU in Washington, D.C. The ISU will provide appropriate training and quality control feedback to maintain a consistent standard for all OFDA information products.

SUPERVISORY CONTROLS:

The supervisor will set overall objectives and determine deadlines and work priorities. The USPSC will also communicate directly with the ISU regarding information requirements from the regional team in Washington, D.C. The USPSC is expected to take initiative, work closely with the entire LAC regional team based in San Jose, Costa Rica and Washington, D.C., and perform with moderate direction in responding to humanitarian emergencies as part of a fast paced office environment.

12. PHYSICAL DEMANDS

The work is generally sedentary and does not pose undue physical demands. During deployment on DARTs (if required), and during site visits, there may be some additional physical exertion including long periods of standing, walking over rough terrain, or carrying of moderately heavy items (less than 50 pounds).

Work is primarily performed in an office setting. During deployment on DARTs (if required), and during site visits, the work may additionally involve special safety and/or security precautions, wearing of protective equipment, and exposure to severe weather conditions.

II. MINIMUM QUALIFICATIONS REQUIRED FOR THIS POSITION

EDUCATION/EXPERIENCE REQUIRED FOR THIS POSITION

(Determines basic eligibility for the position. Offerors who do not meet all of the education and experience factors are considered NOT qualified for the position.)

Bachelor's degree with significant study in or pertinent to the specialized field (including, but not limited to, international relations, political science, or disaster management) and three (3) years of relevant work experience with the USG, private voluntary organization (PVO)/NGO, international organization or UN Agency. Such experience must have a humanitarian focus and include on-the-ground field experience in needs assessment, analysis, or reporting on emergency relief program operations, or post-emergency rehabilitation. **Fluency in written and oral Spanish is required.**

OR

Master's degree with significant study in or pertinent to the specialized field (including, but not limited to, international relations, political science, or disaster management) and two (2) years of relevant work experience with the USG, PVO/NGO, international organization or UN Agency. Such experience must have a humanitarian focus and include on-the-ground field experience in needs assessment, analysis, or reporting on emergency relief program operations, or post-emergency rehabilitation. **Fluency in written and oral Spanish is required.**

III. EVALUATION AND SELECTION FACTORS

The Government may award a contract without discussions with offerors in accordance with FAR 52.215-1. The CO reserves the right at any point in the evaluation process to establish a competitive range of offerors with whom negotiations will be conducted pursuant to FAR 15.306(c). In accordance with FAR 52.215-1, if the CO determines that the number of offers that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the CO may limit the number of offerors in the competitive range to the greatest number that will permit an efficient competition among the most highly rated offers. FAR provisions of this solicitation are available at <https://www.acquisition.gov/browse/index/far>.

SELECTION FACTORS

(Determines basic eligibility for the position. Offerors who do not meet all of the selection factors are considered NOT qualified for the position.)

- Offeror is a U.S. Citizen.
- Complete resume submitted. See cover page for resume requirements. Experience that cannot be quantified will not be counted towards meeting the solicitation requirements.
- USPSC Offeror form AID 309-2. Offerors are required to complete sections A through I. This form must be physically signed. Electronic signatures will not be accepted.
- Supplemental document specifically addressing the Quality Ranking Factors (QRFs) submitted.

- Ability to obtain and maintain a Secret up to Top Secret/Sensitive Compartmented Information level clearance as provided by USAID.
- Ability to obtain a Department of State medical clearance.
- Must not appear as an excluded party in the System for Award Management (SAM.gov).
- Satisfactory verification of academic credentials.

QUALITY RANKING FACTORS (QRFs)

(Used to determine the competitive ranking of qualified offerors in comparison to other offerors. The factors are listed in priority order from highest to least. The evaluation of QRF responses and writing tests will also take into consideration the quality of written responses. Aspects of written responses including, but not limited to typos, grammatical errors, spelling errors, and incomplete sentences will be factored into the evaluation process.)

- QRF #1 Describe in detail both your English and Spanish oral and written communication skills as demonstrated through the preparation of succinct humanitarian and/or USG reports, briefings, and other communications used to inform strategic decision making.
- QRF #2 Describe your field or field-related experience in detail. Based on the job description provided in the solicitation, how will your experience help you to succeed as an IO?
- QRF #3 In 350 words or less, compose a brief providing the background and recent humanitarian developments and trends for a current humanitarian emergency in Latin America and Caribbean for a senior USG official traveling to the region. (Please include a word count at the end of the memo.)
- QRF #4 Detail your demonstrated experience coordinating information management needs within the U.S. government, UN, other International Organizations, and/or NGOs, and with foreign governments.
- QRF #5 USAID/OFDA teams are often multicultural, include representatives from multiple offices, and work under tight deadlines with competing pressures. Describe your experience working in a similar environment. What challenges did you face? How did you overcome them?

BASIS OF RATING: Offerors who meet the Education/Experience requirements and Selection Factors will be further evaluated based on scoring of the QRF responses. Those offerors determined to be competitively ranked may also be evaluated on interview performance and satisfactory professional reference checks.

Offerors are required to address each of the QRFs in a separate document describing specifically and accurately what experience, training, and/or education they have received as it pertains to each factor. Be sure to include your name and the announcement number at the top of each additional page. Failure to address the selection factors and/or Quality Ranking Factors may result in not receiving credit for all pertinent experience, education, and/or training.

The most qualified offerors may be interviewed and required to provide a writing sample. OFDA will not pay for any expenses associated with the interviews. Professional references and academic credentials will be evaluated for offerors being considered for selection. Note: Please be advised that references may be obtained independently from other sources in addition to the ones provided by an offeror. OFDA reserves the right to select additional offerors if vacancies become available during future phase of the selection process.

The Offeror Rating System is as Follows:

QRFs have been assigned the following points:

QRF #1 – 7 points

QRF #2 – 7 points

QRF #3 – 6 points

QRF #4 – 6 points

QRF #5 – 4 points

Interview Performance – 30 points

Timed Writing Test – 30 points

Satisfactory Professional Reference Checks – 10 points

Total Possible Points: 100

IV. SUBMITTING AN OFFER

Offers must be **received** by the closing date and time at the address specified in the cover letter.

Qualified individuals are **required** to submit:

1. Complete resume. In order to fully evaluate your offer, your resume must include:
 - (a) Paid and non-paid experience, job title, location(s), dates held (month/year), and hours worked per week for each position. Dates (month/year) and locations for all field experience must also be detailed. **Any experience that does not include dates (month/year), locations, and hours per week will not be counted towards meeting the solicitation requirements.**
 - (b) Specific duties performed that fully detail the level and complexity of the work.
 - (c) Education and any other qualifications including job-related training courses, job-related skills, or job-related honors, awards or accomplishments.
 - (d) U.S. Citizenship
 - (e) **Optional:** How did you hear about this opportunity? (FedBizOpps, OFDA Jobs, Career Fair, etc.).

Your resume should contain sufficient information to make a valid determination that you fully meet the experience requirements as stated in this solicitation. This information should be clearly identified in your resume. Failure to provide information sufficient to determine your qualifications for the position will result in loss of full consideration.

2. Supplemental document specifically addressing the QRFs shown in the solicitation.

3. USPSC Offeror form AID 309-2. Offerors are required to complete sections A through I. This form must be physically signed. Electronic signatures will not be accepted. AID 309-2 is available at <http://www.usaid.gov/forms>.

Additional documents submitted will not be accepted.

By submitting your offer materials, you certify that all of the information on and attached to the offer is true, correct, complete, and made in good faith. You agree to allow all information on and attached to the offer to be investigated. False or fraudulent information on or attached to your offer may result in you being eliminated from consideration for this position, or being terminated after award, and may be punishable by fine or imprisonment.

To ensure consideration of offers for the intended position, please reference the solicitation number on your offer, and as the subject line in any email.

DOCUMENT SUBMITTALS

Via email: recruiter@ofda.gov

NOTE: If the full security application package is not submitted within 30 days after the Office of Security determines eligibility, the offer may be rescinded. If a Secret security clearance is not obtained within nine months after offer acceptance, the offer may be rescinded. If Top Secret is required, and clearance is not obtained within nine months after award, USAID may terminate the contract at the convenience of the government. If Sensitive Compartmented Information (SCI) access is not obtained within nine months after Top Secret clearance is granted, USAID may terminate the contract at the convenience of the government.

NOTE: If the full medical clearance package is not submitted within two months after offer acceptance, the offer may be rescinded. If a Department of State medical clearance is not obtained within six months after offer acceptance, the offer may be rescinded.

NOTE REGARDING GOVERNMENT OBLIGATIONS FOR THIS SOLICITATION

This solicitation in no way obligates USAID to award a PSC contract, nor does it commit USAID to pay any cost incurred in the preparation and submission of the offer.

NOTE REGARDING DATA UNIVERSAL NUMBERING SYSTEM (DUNS) NUMBERS AND THE SYSTEM FOR AWARD MANAGEMENT

All USPSCs with a place of performance in the United States are required to have a Data Universal Numbering System (DUNS) number and be registered in the System for Award Management (SAM) database prior to receiving an offer. You will be disqualified if you either fail to comply with this requirement or if your name appears on the excluded parties list. The selectee will be provided with guidance regarding this registration.

For general information about DUNS Numbers, please refer to Federal Acquisition Regulation (FAR) Clause 52.204-6, Data Universal Numbering System Number at https://www.acquisition.gov/far/current/html/52_200_206.html and FAR 52.204-7, System for Award Management at https://www.acquisition.gov/far/current/html/52_200_206.html or www.sam.gov.

ATTACHMENT 1

USPSC PROVISION “MEDICAL EXPENSE PAYMENT RESPONSIBILITY (OCTOBER 2006)

MEDICAL EXPENSE PAYMENT RESPONSIBILITY (OCTOBER 2006)

(a) Definitions. Terms used in this General Provision are defined in 16 FAM 116 (available at <http://www.foia.state.gov/REGS/fams.asp?level=2&id=59&fam=0>). Note: personal services contractors are not eligible to participate in the Federal Employees Health Programs.

(b) The regulations in the Foreign Affairs Manual, Volume 16, Chapter 520 (16 FAM 520), Responsibility for Payment of Medical Expenses, apply to this contract, except as stated below. The contractor and each eligible family member are strongly encouraged to obtain health insurance that covers this assignment. Nothing in this provision supersedes or contradicts any other term or provision in this contract that pertains to insurance or medical costs, except that section (e) supplements General Provision 25. “MEDICAL EVACUATION (MEDEVAC) SERVICES.”

(c) When the contractor or eligible family member is covered by health insurance, that insurance is the primary payer for medical services provided to that contractor or eligible family member(s) both in the United States and abroad. The primary insurer’s liability is determined by the terms, conditions, limitations, and exclusions of the insurance policy. When the contractor or eligible family member is not covered by health insurance, the contractor is the primary payer for the total amount of medical costs incurred and the U.S. Government has no payment obligation (see paragraph (f) of this provision).

(d) USAID serves as a secondary payer for medical expenses of the contractor and eligible family members who are covered by health insurance, where the following conditions are met:

- (1) The illness, injury, or medical condition giving rise to the expense is incurred, caused, or materially aggravated while the eligible individual is stationed or assigned abroad;
- (2) The illness, injury, or medical condition giving rise to the expense required or requires hospitalization and the expense is directly related to the treatment of such illness, injury, or medical condition, including obstetrical care; and
- (3) The Office of Medical Services (M/MED) or a Foreign Service medical provider (FSMP) determines that the treatment is appropriate for, and directly related to, the illness, injury, or medical condition.

(e) The Mission Director may, on the advice of M/MED or an FSMP at post, authorize medical travel for the contractor or an eligible family member in accordance with the General Provision 10, Travel and Transportation AAPD 06-10 PSC Medical Expense Payment Responsibility 6 Expenses (July 1993), section (i) entitled “Emergency and Irregular Travel and Transportation.” In the event of a medical emergency, when time does not permit consultation, the Mission Director may issue a Travel Authorization Form or Medical Services Authorization Form DS-3067, provided that the FSMP or Post Medical Advisor (PMA) is notified as soon as possible following such an issuance. The contractor must promptly file a claim with his or her medevac insurance provider and repay to USAID any amount the medevac insurer pays for medical travel, up to the amount USAID paid under this section. The contractor must repay USAID for medical costs paid by the medevac insurer in accordance with sections (f) and (g) below. In order for medical travel to be an allowable cost under General Provision 10, the contractor must provide USAID written evidence that medevac insurance does not cover these medical travel costs.

(f) If the contractor or eligible family member is not covered by primary health insurance, the contractor is the primary payer for the total amount of medical costs incurred. In the event of a medical emergency, the Medical and Health Program may authorize issuance of Form DS-3067, Authorization for Medical Services for Employees and/or Dependents, to secure admission to a hospital located abroad for the uninsured contractor or eligible family member.

In that case, the contractor will be required to reimburse USAID in full for funds advanced by USAID pursuant to the issuance of the authorization. The contractor may reimburse USAID directly or USAID may offset the cost from the contractor’s invoice payments under this contract, any other contract the individual has with the U.S. Government, or through any other available debt collection mechanism.

(g) When USAID pays medical expenses (e.g., pursuant to Form DS-3067, Authorization for Medical Services for Employees and/or Dependents), repayment must be made to USAID either by insurance payment or directly by the contractor, except for the amount of such expenses USAID is obligated to pay under this provision. The Contracting Officer will determine the repayment amount in accordance with the terms of this provision and the policies and procedures for employees contained in 16 FAM 521. When USAID pays the medical expenses, including medical travel costs (see section (e) above), of an individual (either the contractor or an eligible family member) who is covered by insurance, that individual promptly must claim his or her benefits under any applicable insurance policy or policies. As soon as the individual receives the insurance payment, the contractor must reimburse USAID for the full amount that USAID paid on the individual’s behalf or the repayment amount determined by the Contracting Officer in accordance with this paragraph, whichever is less. If an individual is not covered by insurance, the contractor must reimburse USAID for the entire amount of all medical expenses and any travel costs the contractor receives from his/her medevac provider.

(h) In the event that the contractor or eligible family member fails to recover insurance payments or transfer the amount of such payments to USAID within 90 days, USAID will take appropriate action to collect the payments due, unless such failure is for reasons beyond the control of the USPSC/dependent. (i) Before departing post or terminating the contract, the contractor must

settle all medical expense and medical travel costs. If the contractor is insured, he or she must provide proof to the Contracting AAPD 06-10 PSC Medical Expense Payment Responsibility 7 Officer that those insurance claims have been submitted to the insurance carrier(s) and sign a repayment agreement to repay to USAID any amounts paid by the insurance carrier(s).

GP 5. LEAVE AND HOLIDAYS (DEC 2017) (Pursuant to class deviation #M/OAA-DEV-AIDAR-18-1c)

(a) Annual Leave

(1) The contractor is not entitled to annual leave if the period of performance of this contract is 90 days or less. If the contract period of performance is more than 90 days, the contractor shall earn annual leave as of the start date of the contract period of performance as specified in paragraph (a)(2) below.

(2) The contractor shall accrue annual leave based on the contractor's time in service according to the following table:

Time in Service	Annual Leave (AL) Accrual Calculation
0 to 3 years	Four hours of leave for each two week period
over 3, and up to 15 years	Six hours of AL for each two week period (including 10 hours AL for the final pay period of a calendar year)
over 15 years	Eight hours of AL for each two week period

USAID will calculate the contractor's time in service based on all the previous service performed by the contractor as a: 1) USAID PSC (i.e., the contractor has served under any USAID personal services contracts of any duration covered by Sec. 636(a)(3) of the FAA or other statutory provision applicable to USAID); and/or 2) former U.S. Government (USG) direct-hire, under either civilian and/or military service.

(3)

(i) AL is provided under this contract for the purposes of affording necessary rest and recreation during the period of performance. The contractor, in consultation with the USAID Mission or USAID/Washington, as appropriate, shall develop an AL schedule early in the contractor's period of performance, taking into consideration project requirements, employee preference, and other factors. All AL earned by the contractor must be used during the contractor's period of performance. All AL earned by the contractor, but not taken by the end of the contract, will be forfeited. However, to prevent forfeiture of AL, the Contracting Officer may approve the contractor taking AL during the concluding weeks of the contractor's period of performance.

(ii) As an exception to 3(i) above, the contractor may receive a lump-sum payment for leave not taken. To approve this exception, the contractor's supervisor must provide the Contracting

Officer with a signed, written Determination and Findings (D&F). The D&F must set out the facts and circumstances that prevented the contractor from taking AL, and the Contracting Officer must find that these facts and circumstances were not caused by, or were beyond the control of, the contractor. This leave payment must not exceed the number of days which could be earned by the contractor during a twelve-month period.

(4) With the approval of the Mission Director or cognizant AA, as appropriate, and if the circumstances warrant, a Contracting Officer may grant the contractor advance AL in excess of the amount earned, but in no case may the Contracting Officer grant advance AL in excess of the amount earned in one year or over the life of the contract, whichever is less. The contractor agrees to reimburse USAID for any outstanding balance of advance AL provided during the contractor's assignment under the contract.

(5) Applicants for PSC positions will provide evidence of their PSC and/or USG direct-hire service - civilian and/or military experience, as applicable, on their signed and dated application form required under USAID policy. By signing the appropriate form, the applicant attests to the accuracy of the information provided. Any applicant providing incorrect information is subject to the penalty provisions in the form. If required to satisfy due diligence requirements on behalf of the Contracting Officer, the contractor may be required to furnish evidence that verifies length of service, e.g., SF 50, DD Form 214, and/or signed contracts.

(b) Sick Leave. The contractor may use sick leave on the same basis and for the same purposes as USAID U.S. direct hire employees. Sick leave is earned at a rate not to exceed four (4) hours every two (2) weeks for a total of 13 work-days per year. Unused sick leave may be carried over under an extension or renewal of this contract with the same individual for the same work.

Otherwise, sick leave will not be carried over from one post to another or from one contract to another. The contractor will not be compensated for unused sick leave upon completion of this contract.

(c) Home Leave.

(1) Home leave is leave earned for service abroad for use only in the U.S., its commonwealths, possessions and territories.

(2) A USPSC who has served at least two years overseas at the same USAID Mission, under the same contract, as defined in paragraph (c)(4) below, and has not taken more than 30 work days leave (annual, sick or LWOP) in the U.S. may be granted home leave in accordance with the following:

(i) if the USPSC returns to the same overseas post upon completion of home leave for an additional two (2) years under the same contract, the USPSC will receive home leave, to be taken at one time, for a period of 30 work days; or

if the USPSC returns to the same overseas post upon completion of home leave for such shorter period of not less than one year, as approved in writing by the Mission Director prior to the USPSC's departure on home leave, the USPSC will receive home leave, to be taken at one time, for a period of 30 work days.

(ii) if the USPSC is returning to a different USAID Mission under a USAID personal services contract immediately following completion of the USPSC's home leave, for an

additional two (2) years under contract, or for such shorter period of not less than one (1) year, as approved by the Mission Directors of the "losing" and "gaining" Missions, the contractor will receive home leave, to be taken at one time, for a period of not more than 20 work days. When the PSC is returning to a different USAID Mission, the former Mission will pay for the home leave regardless of what country the PSC will be working in following the home leave;

(iii) if home leave eligibility is based on (c)(2)(ii) above, the USPSC must submit written verification to the losing Mission at the time home leave is requested that the USPSC has accepted a USAID personal services contract at another USAID Mission following completion of the home leave;

(iv) travel time by the most direct route is authorized in addition to the number of work days authorized for home leave;

(v) home leave must be taken in the U.S., its commonwealths, possessions or territories, and any days spent elsewhere will be charged to annual leave (AL.) If the PSC does not have accrued AL, the PSC will be placed on LWOP.

(vi) if the PSC does not complete the additional service required under (c)(2)(i) or (ii) (that the Contracting Officer finds are other than for reasons beyond the PSC's control), the cost of home leave, travel and transportation and any other related costs must be repaid by the PSC to the Government.

(3) Notwithstanding the requirement in paragraph (c)(2) above, that the USPSC must have served two (2) years overseas under personal services contract with the same Mission to be eligible for home leave, the USPSC may be granted advance home leave subject to all of the following conditions:

(i) Granting of advanced home leave would in each case serve to advance the attainment of the objectives of this contract; and

(ii) The USPSC has served a minimum of 18 months in the Cooperating Country under this contract; and

(iii) The USPSC agrees to return to the Cooperating Country to serve out the remaining time necessary to meet two (2) years of service overseas, plus an additional two (2) years under the current contract or under a new contract for the same or similar services at the same Mission. If approved in advance by the Mission Director, the USPSC may return to serve out any remainder of the two (2) year requirement for service overseas, plus an additional period of not less than one (1) year under the current contract or under a new contract for the same or similar services at the same Mission.

(4) The period of service overseas required under paragraph (c)(2), or paragraph (c)(3) above, will include the actual days in orientation in the U.S. (less language training). The actual days overseas begin on the date of arrival in the cooperating country inclusive of authorized delays enroute. Allowable annual and sick leave taken while overseas, but not LWOP, shall be included in the required period of service overseas. An amount equal to the number of days of annual and

sick leave taken in the U.S., its commonwealths, possessions or territories will be added to the required period of service overseas.

(5) Salary during the travel to and from the U.S., for home leave will be limited to the time required for travel by the most expeditious air route. Except for reasons beyond the USPSC's control as determined by the Contracting Officer, the USPSC must return to duty after home leave and complete the additional required service or be responsible for reimbursing USAID for payments made during home leave. Unused home leave is not reimbursable under this contract, nor can it be taken incrementally in separate time periods.

(6) Home leave must be taken at one time, and to the extent deemed necessary by the Contracting Officer, an USPSC in the U.S., on home leave may be authorized to spend not more than five (5) days in work status for consultation at USAID/Washington before returning to post. Consultation at locations other than USAID/Washington as well as any time in excess of five (5) days spent for consultation must be approved by the Mission Director or the Contracting Officer.

(d) Home Leave for Qualifying Posts (HLQP). USPSCs who ordinarily qualify for home leave and have completed a 12-month assignment at one of the USAID qualifying posts (currently Iraq, Afghanistan and Pakistan) are entitled to take ten (10) workdays of leave in addition to the home leave an USPSCs is normally entitled to under the contract in accordance with sub-paragraphs (c)(1) - (6) above. This additional home leave is provided pursuant to an amendment to the Foreign Service Act of 1980 signed by the President on June 15, 2006.

There is no requirement that an eligible USPSC take this additional leave; it is for optional use by the USPSC. If an eligible USPSC elects to take HLQP, the USPSC must take ten (10) workdays of home leave. If the USPSC is returning to the United States and not returning overseas to the same or different USAID Mission, HLQP will not apply.

This new home leave policy is also extended to qualifying **Third-Country National PSCs (TCNPSCs)** who have an approved exception under AIDAR Appendix J, sec. 4(c)(2)(ii)(B), to apply specific provisions from AIDAR Appendix D, and whose contract includes this General Provision. However, TCNPSCs will be granted "country leave" vice home leave. The application, requirements, and restrictions will be the same as for USPSCs, but the time taken by a TCNPSC will be taken in the TCNPSC's home country or country of recruitment rather than in the United States, its commonwealths and territories.

(e) Holidays and Excused Absences. The contractor shall be entitled to all holidays and or excused absences granted by the USAID to U.S. direct-hire employees.

(f) Military Leave. Military leave of not more than 15 calendar days in any calendar year may be granted to a contractor who is a reservist of the U.S. Armed Forces. The contractor must provide advance notice of the pending military leave to the Contracting Officer or the Mission Director as soon as known. A copy of any such notice must be part of the contract file.

(g) Leave Without Pay (LWOP). LWOP may be granted only with the written approval of the Contracting Officer or Mission Director, unless a USPSC is requesting for such leave for family and leave purposes under paragraph (i) below.

(h) Compensatory Time. Compensatory time leave may be granted only with the written approval of the Contracting Officer or Mission Director in rare instances when it has been determined absolutely essential and used under those guidelines which apply to USAID U.S. direct-hire employees.

(i) Family and Medical Leave (FML)

(1) USAID provides family and medical leave (FML) for eligible USPSCs working within the U.S., or any Territories or possession of the United States, in accordance with Title I of the Family and Medical Leave Act of 1993, as amended, and as administered by the Department of Labor under [29 CFR 825](#). USAID is also extending FML to eligible USPSCs working outside the U.S., or any Territories or possession of the U.S., in accordance with this paragraph (i) as a matter of policy discretion.

(2) FML only applies to USPSCs, not any other type of PSC.

(3) To be eligible for FML, a USPSC must have been employed (i) for at least 12 months by USAID; and (ii) for at least 1,250 hours of service with USAID during the previous 12-month period. The specific eligibility criteria and requirements are provided in USAID policy.

(4) In accordance with [29 CFR 825.200\(a\)](#) and USAID policy, an eligible USPSC may take up to 12 workweeks of leave under FMLA, Title I, in any 12-month period for the following reasons:

(a) The care of the USPSC's newborn child.

(b) The care of the USPSC's newly placed adopted or foster care child.

(c) The care of the USPSC's spouse, child or parent with a serious health condition.

(d) The USPSC's own serious health condition.

(e) A qualifying exigency arising from the USPSC's spouse, child or parent in active duty military status.

(f) Other qualifying exigencies as determined by the Department of Labor.

(5) In accordance with 29 CFR Part 825.207, the USPSC may take LWOP for FML purposes. However, the USPSC may choose to substitute LWOP with accrued paid leave, including accrued annual or sick leave, or compensatory time earned under this contract. If the USPSC does not choose to substitute accrued paid leave, the CO, in consultation with the USPSC's supervisor, may require the USPSC to substitute accrued paid leave for LWOP. The CO must verify the accuracy of the USPSC's accrued paid leave request and obtain the required certifications for approval of FML in accordance with the stated USAID policy.

(6) FML is not authorized for any period beyond the completion date of this contract.

(7) When requesting FML, the USPSC must demonstrate eligibility to the USPSC's supervisor by completing USAID's FML request forms, including certifications and other supporting documents required by USAID policy.

(8) The U.S. Department of Labor's (DOL's) [Wage and Hour Division \(WHD\) Publication 1420](#) explains the FMLA's provisions and provides information concerning procedures for filing complaints for violations of the Act.

(j) Leave Records. The contractor shall maintain current leave records for himself/herself and make them available, as requested by the Mission Director or the Contracting Officer.

USAID Acquisition Regulation (AIDAR)**

**APPENDIX D--DIRECT USAID CONTRACTS WITH A U.S. CITIZEN OR A U.S.
RESIDENT ALIEN FOR PERSONAL SERVICES ABROAD**

**GP 25. MEDICAL EVACUATION (MEDEVAC) SERVICES (MAY 2018)
(Pursuant to class deviation #M/OAA-DEV-AIDAR-18-3c)**

USAID will provide Medevac services to the contractor and authorized dependents, through the Department of State's Bureau for Medical Services (MED), similar to those provided to U.S. Government employees in accordance with [16 FAM 300](#) Medical Travel. Medevac costs include travel and per diem, but do not include medical care costs. To be covered by the Medevac program, the contractor and authorized dependents must obtain and maintain international health insurance coverage that includes overseas hospitalization, and must provide proof of such insurance to the contracting officer prior to relocation abroad.
